The image shows two windows from the HDD Regenerator 1.71 software. The main window, titled "[#] HDD Regenerator 1.71 [#]", has a menu bar with "Regeneration", "Full Version", and "Help". It contains a link to repair physical bad sectors, two buttons for "Bootable USB Flash" and "Bootable CD / DVD", and a "Before", "During", and "After" regeneration section. The "After regeneration" section is highlighted with a red underline. The registration dialog box, titled "[#] About [#]", displays the software logo, version (1.71), copyright (© Dmitry Primochenko), and website (<http://www.dposoft.net>). It includes a "Registration" section with input fields for "Full Name" (containing "PirateCity.NET") and "Serial Number" (containing "77777"), and "OK" and "Cancel" buttons.
